

## **EIZO Joins the Responsible Business Alliance to Further Its CSR Initiatives**

**Hakusan, Japan, January 31, 2020** – EIZO Corporation (TSE: 6737) today announced that it has joined the Responsible Business Alliance (RBA) as an Affiliate Member and fully supports the vision and goals of the RBA.

**RBA Vision:**

A global electronics industry that creates sustainable value for workers, the environment, and business.

**RBA Mission:**

Members, suppliers and stakeholders collaborate to improve working and environmental conditions through leading standards and practices.

EIZO's corporate philosophy is "Through the pursuit of imaging solutions with advanced technologies, we enrich people in their professional and personal lives." and to achieve this, the EIZO Group Code of Conduct is regarded as its Corporate Social Responsibility (CSR) policy. In addition to solving social issues through its product and solution offerings, the Code of Conduct includes social, ethical, and environmental responsibilities, such as care for the environment, respect for human rights, and working conditions that support employee health and safety. EIZO joined the RBA to further CSR activities from a broader perspective and to ensure responsible action as a global company.

EIZO commits to progressively align its own operations with the provisions of the RBA Code of Conduct and to support and encourage its own first-tier suppliers to do the same.

Wherever possible, EIZO will seek to adopt the RBA approach and tools in practical ways in the spirit of the industry's common goals.

Through this alliance, EIZO endeavors to enhance its CSR activities, bolster its corporate strength, and make substantial contributions to a prosperous future society.

**About EIZO**

EIZO (TSE:6737), which means image in Japanese, is a visual technology company that develops and manufactures high-end display solutions.
